**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I strongly support using a competitive provider as the cost is more reasonable, customer service is local, allowing for immediate and effective care.

In the past I have used larger carriers who raised their prices regularly. Having the option of choosing among other providers has allowed me to save money, especially since I am on a fixed income as a senior.

My present provider covers my wi-fi and my phone lines. It is a very satisfactory arrangement and I wish to have it continue.

Thank you,

B. Lewis
